

# NIDHIN RAJENDRAN

## REACT JS DEVELOPER

+91 - 7560991140

nidhinrajendran19999@gmail.com

Ernakulam, Kerala

### SUMMARY

Frontend Developer with 4+ years of total IT experience, including 3 years of hands-on expertise in React.js development. Skilled in building scalable, responsive, and user-friendly web applications using React.js, TypeScript, JavaScript, HTML, and CSS. Experienced in integrating APIs, writing reusable components, and optimizing application performance. Seeking to contribute React and frontend expertise in a dynamic product or application development team.

### KEY SKILLS

**Frontend Development & Languages :** React, JavaScript (ES6+), HTML-5, CSS-3, TypeScript

**State Management & Utilities :** Redux, React Hooks, Context API, Lodash

**UI/Design & Styling :** Bootstrap, Tailwind CSS, Figma

**Testing & Quality Assurance :** Jest, Cypress, Harness

**Performance & Monitoring :** Lighthouse, Datadog

**Version Control & Collaboration :** Git, GitHub, Jira, ServiceNow

**AI Tools :** GitHub Copilot, Claude, ChatGPT, Perplexity, Gemini Code Assist

**Other Strengths :** Responsive UI/UX, API Integration, Agile/Scrum Collaboration, Cross-Functional Communication

### PROFESSIONAL EXPERIENCE

#### Tata Consultancy Services

July 2021 - Present

#### Frontend Developer – PayPal (BFSI Domain)

Apr 2023 – Present

- Developed one internal application from scratch using React.js, leveraging state management hooks for efficient data flow and component reusability.
- Designed new component pages and UI layouts using Figma, translating mockups into responsive, production-ready React components.
- Contributed to 7 existing internal applications, adding new features and updating code across their respective repositories (total 8 repos).
- Implemented FPTI integrations for tracking and analytics within applications.
- Created unit tests (UTs) and functional tests (FTs) using Jest and Cypress, improving code reliability and reducing production bugs.
- Executed production rollouts for all internal applications, ensuring smooth deployment and minimal downtime.
- Collaborated with cross-functional teams to maintain and enhance internal applications, ensuring performance, consistency, and scalability.

#### Frontend Developer – H&M (Retail Europe)

Sep 2022 – Mar 2023

- Contributed to enhancing internal applications by implementing new features and updates using React.js, gaining hands-on frontend development experience.
- Assisted in creating dashboards to track product information, including attributes, variants, images, and availability, improving data visibility for operations and marketing teams.

- Worked on process enhancements to streamline the management of product services and improve tracking efficiency.
- Gained exposure to frontend development workflows, including component updates, state management, and integration with existing applications.

## Product Coordinator – H&M (Retail Europe)

Jul 2021 – Aug 2022

- Part of the Product Information Management (PIM) team managing product-related issues like mismatched content, missing articles, and broken images.
- Acted as a bridge between Marketing, Sales, Operations, and Warehouse teams.
- Managed issue tracking using Service Now and do the root-cause analysis.
- Documented product flows and user impact to support decision-making.
- Managed internal Application to resolve newsletter delivery, price display, and offer visibility issues.

## PROJECTS

### Document Management Service

- Skills and tools used : React, TypeScript, JavaScript, HTML-5, CSS-3, Redux, React Hooks, Lodash, Figma, Jest, Cypress, Harness, Lighthouse, Datadog, Git, GitHub, Jira
- AI tools used : GitHub Copilot, Claude, Perplexity, Gemini

### Product Information Management

- Skills and tools used : React, JavaScript, HTML-5, CSS33, React Hooks, Bootstrap, Figma, Harness, Git, GitHub, Jira,
- AI tools used : ChatGPT

## EDUCATION

### Bachelor of Technology in Civil Engineering

Jul 2017 - Jul 2021

APJ Abdul Kalam Technological University, Kerala

### Higher Secondary Education

Jun 2015 - Jun 2017

NSS Higher Secondary School, Tripunithura

## SOFT SKILLS

- Leadership Quality
- Teamwork & Critical Thinking
- Decision Making
- Strong Problem Solving Skills
- Strong Communication Skills & Team Management

## ADDITIONAL INFORMATION

- **Languages:** English, Malayalam
- **Awards/Activities:** On the Spot Team Award (2021, 2023 & 2024) , Star Team Award (2022)
- **Interests:** Deep learning, Tech Curious, Arts, Cricket & Cricket Analysis, Volleyball
